Zdravo z naravo

OBISK V NARAVI

Pogosto vam predlagamo raziskovanje narave ali sprehod v naravi, zato smo se odločili, da vam predstavimo zloženko »**Obisk v naravi**«.

Na tak način bomo še bolj zavestno spoštovali naravo, spoštovali sebe, spoštovali druge, spoštovali lastnino in spoštovali lokalne skupnosti.

Prelagamo, da si zloženko preberete in jo upoštevate.

The collage consists of 12 panels arranged in a grid-like structure:

- Panel 1 (Top Left):** A girl with a backpack and a dog walking through a forest.
- Panel 2 (Top Middle):** A boy with a backpack and a dog walking through a forest.
- Panel 3 (Top Right):** A boy with a backpack and a dog walking through a forest.
